China Prayer Diary 2020-2021

Chinese masks in use in Glasgow, Stoke on Trent, Slough and Kenilworth.

Monday

Through CCC and Amity, FCC supported colleagues in China in 2020. Masks were compulsory in Wuhan during the pandemic. FCC then received gifts of masks which were put to good use by community volunteers in Slough, Kenilworth, Stoke and Glasgow. Pastor Zhu Zhikou (Hubei CC Chair – seen here with seminary graduates) is now in good health after spending some weeks in hospital.

Let us pray: “Thank you Lord for the partnership in giving and receiving that we shared in 2020. Continue to bless with your generous love the leadership at Hubei CC as they develop the Zhongnan seminary at the new campus.”

Tuesday

‘Peter’ Yuan Shiguo: “I can’t forget the two wonderful visits I had to the UK. I always share such great stories I have with my Chinese friends. And we are happy that there are now 75 students this year in the Seminary.”

Many students in the Sichuan seminary in Chengdu have over the years come from ethnic minority backgrounds (eg Hani, Lahu, Jingpo, Han, Yi, Lisu and Miao).

Let us pray “Father God, from whom every family on earth is named: please bless the communities from which minority students come. May their years at Chengdu prepare them for the joys and challenges of leadership in their home villages.”

Wednesday

At present, travel to China is not possible. But FCC projects have continued to express our friendship in tangible ways. FCC is partnering Barbour trust in funding Pastor He Qicong’s long-term work using volunteers in the HIV/AIDs project on the streets of Xi’an; and in rural Yunnan, Li Guoming is leading the new Waste Management project developed by Xie Jie (based in the Nanjing Amity office).

Philippians 4 vv6-7 “Do not be anxious about anything, but in everything, by prayer & petition, with thanksgiving, present your requests to God. And the peace of God that transcends all understanding, will guard your hearts and your minds in Christ Jesus.”

Thursday

Ling Chunxiang: “We in Amity were working with flood relief work over the summer”

Frankie Lee & Will Newman ask for our continued prayers for the witness of Hong Kong Cathedral at a challenging time ...

Dr Wen Ge (at the Jinling seminary, Nanjing) asks our prayers for five new research (ThD) students.

Let us pray “Father, you remind us to pray for ‘daily bread’. Please provide for all the needs of all our friends today, for Christ’s sake.”
